Benslimane, Morocco | +212 6 82 14 22 32 | nizarmadani10@gmail.com

PROFILE

State-certified Computer Engineer specialized in Big Data and Artificial Intelligence, graduated from the International University of Rabat. I have a strong background in data analytics, machine learning, and computer science, developed through applied projects and professional internships. I am seeking to pursue a Master's degree in Italy to further develop my skills in advanced data analytics and information technologies, with applications to business and societal challenges.

PROFESSIONAL EXPERIENCE (INTERNSHIPS)

Artificial Intelligence Engineering Intern – Maghreb Arab Press

March 2025 - July 2025

- Designed and developed a local intelligent conversational assistant based on a Retrieval-Augmented Generation (RAG) architecture for internal document information retrieval.
- Implemented a question-answering system over PDF files and technical guides, improving access to and utilization of internal knowledge.

Software and Data Engineering Intern – Digital MedTelecom

July 2024 - August 2024

- Developed software applications for data management and analysis.
- Trained and optimized artificial intelligence models for specific business use cases

Data and Machine Learning Intern – Hueman Digital

July 2023 - August 2023

- Analyzed user data to optimize delivery routing and logistics workflows.
- Contributed to the development of machine learning models for demand forecasting.

IT Assistant Intern – Digital MedTelecom

July 2021 - August 2021

- Assisted with IT infrastructure maintenance and technical support.
- Participated in software testing and issue documentation.

EDUCATION

State Engineering Degree in Computer Science (Big Data & Artificial Intelligence)

Sep 2020 - Sep 2025

- International University of Rabat
- Integrated Preparatory Cycle in Computer Science (2 years)
 - Engineering Cycle in Big Data and Artificial Intelligence (3 years)

Academic Exchange Program (Big Data & Artificial Intelligence)

Sep 2024 - Feb 2025

Università Ca' Foscari Venezia

Baccalaureate in Physical Sciences

Jun 2020

Al Madina Al Khadra High School

ADDITIONAL INFORMATION

- Key Skills:** Artificial Intelligence, Machine Learning, Natural Language Processing (NLP), Data Analysis, Python
- Languages:** Arabic (Native), French (C1 – CEFR), English (C1 – CEFR)
- Honors & Activities :** 2nd Place – University Hackathon (UIR) ; Volunteer Member, Special Olympics ; Former Member Sports Office (BDS)(UIR)
